Photo Release Form for Minors

2018-2019

During the course of the school year, opportunities arise for photographs or videos to be taken of our students. Many times these images are connected to special events at school. At other times, we may purposely take pictures for publicity purposes. Special event photographs might be taken by photographers of newspapers. We are seeking your consent for pictures taken of your child related to events at school, including, but not limited to photographs taken of your child receiving special awards or recognition, to be published in newspapers, our school newsletter, scrapbooks made in class, on our school Facebook page and on our school or church website.

Furthermore, by giving your consent you are agreeing that such photographs and videos shall be the property of St. John's Lutheran School, and that the school has the right to duplicate, reproduce and make other uses, as St. John's Lutheran School deems necessary during the period of your consent.

Please sign and return one copy of this form to the school office as soon as possible.
